

To Sergey Shustikov
General manager
Deiteriy Ltd

Dear Sergey!

Pay Engine Limited, UK based international company, which provides payment services in Russia under Best2Pay brand expresses gratitude to consultants and auditors of Deiteriy for our fruitful cooperation during PCI DSS certification process. Top level certificate gained – Level 1 – allows Best2Pay to process unlimited amount of banking cards transactions.

Certification of London based department has been carried out by Russian QSA-company Deiteriy, which confirmed high level of protection of clients card data.

We are completely satisfied with the level of proficiency and commitment of your experts as their responsible approach and competence allowed to finalize the security excellence project in the planned terms.

We wish you all the best and hope to continue our relationship. It is with pleasure that I announce that together we managed to step forward and make online payments even more secure.
